

## Project Profile :: Sport and Leisure

### New Sports Hall, Cranfield University

Client: Cranfield University

Architect: Shepherd Robson

#### Scott White and Hookins' Role:

 Structural Engineering

New £3.0m, 8 badminton court, sports hall with changing rooms.

As part of our civil and structural engineering services for the university for a £25 Million campus redevelopment, specification of a 6 court temporary sports hall (erected for 15 months) and design of a new 8 court sports hall with associated facilities with the provision for future expansion. Structure had 38m clear span trusses and a 9.5m clear height for sports activities.
