

Project Profile :: Offices Walsall Housing Group

Client: Walsall Housing Group

Scott White and Hookins' Role:

 BREEAM Assessors

Target rating- Excellent
BREEAM **Excellent** Certified

New £6.5million town centre office with various sustainable features including a sedum roof, rainwater harvesting, photovoltaic and solar thermal renewable energy systems and air-source heat pump technology.

Careful liaison with the project team and Client to consider and implement the measures helped the project successfully achieved its targeted BREEAM "Excellent" rating at post construction stages.
