

Project Profile :: Healthcare

Whitton Health and Social Centre, Twickenham

Client: Wilmott Dixon

Scott White and Hookins' Role:

 BREEAM Assessors

Target rating- Excellent
BREEAM **Excellent** Certified

New Health and social centre in Twickenham, London. The new building includes an outpatient unit with doctors surgeries, dentists along with a range of other community services.

The scheme includes a high level of sustainability features including major leak detection, low water usage fittings and LZC technologies that helped it towards achieving its BREEAM rating goal of Excellent overall.
